

What does
HOPE

look like to you?

ONE DAY she will sleep through the night.

I'M NOT THE ONLY ONE
going through this.

I AM MORE than just a mom.

These women are **JUST LIKE ME**.

Jesus Christ really loves me **AS I AM**.

MOPS, Mothers of Preschoolers, is a place
where you can discover hope — on all levels.

It's an international organization that exists
exclusively to minister to moms of infants
through kindergarteners. You'll experience
authentic **COMMUNITY**, mothering
SUPPORT, personal **GROWTH** and
spiritual **HOPE**, all to help you be the
best mom possible.

How MOPS Works

The MOPS experience is multi-faceted. On meeting days, we share lovingly prepared homemade food while listening to a speaker or learning a new craft. Each mom is placed into a discussion group, to create a community where women may share their stories and perspectives and support one another. While you are enjoying real conversations, your children are cared for by trained childcare workers. We provide quality childcare for children, infant through kindergarten, in a preschool-like setting.

But MOPS is more than meeting days. Discussion groups connect outside meetings, whether it's at the park with kids, or dinner out with just moms. That's where the MOPS experience comes to life – in sharing authentically with others, and figuring out what to take away from the experiences of moms around you.

When We Meet

Faith MOPS has two groups that meet monthly, September through May:

Daytime MOPS gathers on the second Wednesday morning each month in the Multi-Purpose Room, 9:30-11:30 a.m.

Evening MOPS meets on the second Sunday night each month in Rooms 9A & 9B, 7-9 p.m.

When You Join

By joining MOPS, you receive benefits from MOPS International, including a one-year subscription to MOMSense magazine, a weekly MOM email, and a book, *Life on Planet Mom*. Your membership fee covers the cost of these items, as well as our expenses, including child care, activities and snacks for your children, speakers, craft supplies, etc.

Please join us. We'd love to meet you.
