Adult Sunday Classes

The pastors and elders at Faith Church are pleased to offer a selection of relevant, applicable Bible courses for your personal edification. Though all our classes attempt to answer what, why and how, some are specifically focused on establishing a strong biblical foundation for what and why we believe as we do. Other classes have a stronger focus on how and address how we live out our biblical beliefs.

Consider taking advantage of this opportunity to delve deeper into Scripture. Our gifted teachers invite you to come along on the journey of exploring God's Word.
