

HOOPLA!

Hoopla! is a weekly event designed just for junior high students. Believing that relationships are built on shared experiences, we want to provide great experiences for students to build relationships with other students, and with the Faith Church staff and volunteer leaders. All of our Hoopla! events are open to any junior high student, and friends are always welcome. All we ask is that you sign up in advance. You can do so at www.faithchurch.net/events, and look for Hoopla!
