

True and Better

“The True and Better Noah” September 20, 2015 Harvey Pflug

Read Genesis 6:6-8; 7:1-5; 8:1,15-19; Hebrews 11:7.

- **How does the world we live in compare to the days of Noah?**
- **How does Noah’s faith and obedience point to the Lord Jesus?**
- **If you knew that God was going to destroy the world as He did in the days of Noah, how would that impact your interactions with those you knew needed a Savior?**
- **How should the prospect of Christ’s return for His children impact how we interact with lost people today?**
