## WHY DO WE DO THAT?

### Singing of Songs

As Christians, we have real reasons to be known as a people of song! It's easy to parrot truth, but to sing of it, from the soul, reveals how we feel. Scripture commands the church to sing "psalms and hymns and spiritual songs" (Col. 3:16) together as one of our acts of worship. Thus, at Faith Church, the songs we sing each week are comprised of 1) Hymns which have been sung by the church for ages; 2) Contemporary Christian Music such as popularized by the likes of Chris Tomlin, Phil Wickham, Hillsong and others; and 3) New Songs from sources such as Sojourn Music, CityAlight, Austin Stone, and others which allow us to sing new songs that connect with us using rich/deep lyrics and well-crafted musical composition. We sing both old and new songs (Ps. 33:3), but what is most important is that in singing together we are proclaiming Christ's excellencies as his people.

## MISSIONARY SPOTLIGHT

**Trevor and Roberta Maxwell:** Serve at First Love International Ministries Faith Academy in Manila, Philippines. They are working with The Butterfly Projects that recues girls from child and sexual abuse. During the COVID 19 Pandemic, they have engaged the Butterfly girls in service to the poorest in their city. They have been delivering food to the poor, door to door. The Maxwells are seeing a spiritual awakening in several of the girls who come into the program beaten down by a life filled with abuse. [Click here to read more!](#)
