### *Chasing Vines*

by **Beth Moore**

Thursday Mornings, 9:30 a.m. – 11:30 a.m.

*No Childcare*

Find new hope, revealing the abundant secrets of a fruitful, Kingdom-building, God-pleasing life. Tracing the images of vinedresser, vine, branch, and fruit through Scripture, and sharing stories from her own journey, Beth shows us how nothing in our lives is wasted. Not the place we've been planted. Not the painful pruning. Scripture tells us that every person who knows Jesus is meant to thrive in fruitfulness. Life might not always be fun, but in Christ, it can always be immensely fruitful. Nothing is for nothing. Discover how everything changes when we understand and fully embrace God's amazing design for growing us into fruitful, meaningful, abundant life.

### *Developing a Discerning Heart*

by **Entrust Ministries**

Thursday Mornings, 9:30 a.m. – 11:30 a.m.

*No Childcare*

Are you sometimes caught up by the anger or fear of the moment and wonder where THAT feeling came from? Do you struggle with the same recurring sin? How do you discover and overcome lies you have subconsciously believed from your past?

DDH is an interactive, small group study, which emphasizes God's role in the areas of our goals and heart desires. It covers, with in-depth scripture, how we can see our view of God and our identity in Christ help to process the joys and the hurts in life. This course will help you better discern the truths and falsehoods you have learned in life, and therefore, live out. This is for women who are ready to go deeper and who would like to take other women into a deeper, more intimate walk with God. Please come prepared each week to share what God is teaching you and feel free to ask any questions.

Plan on an average of 2-3 hours of homework each week, delving into the scriptures and listening to God. Please try to make each session as each one builds on the one before. Of course, emergencies come up, but missing more than two sessions will keep you from gleaning the value of this course.

**Location:** Faith Church

**Materials:** *Developing a Discerning Heart Workbook* by Entrust Ministries

In an age and culture where we all tend to have an overdeveloped sense of entitlement, *The Envy of Eve* helps us to understand what happens when covetousness takes root in our hearts. It chokes out the Fruit of the Spirit, allowing discontentment to bloom. This thought provoking study challenges us to examine the nature and the root of covetousness and then expose our hearts to the healing light of God's Word.

## *Isaiah: The Lord Saves*

**by Kathleen Nielson**

Thursday Mornings, 9:30 a.m. – 11:30 a.m. (Full Year)

*No Childcare*

Often we avoid the prophets because they seem hard. We get the impression they're just about gloom and doom. They seem to be out of touch with our 21st century lives. They are too long and have too many historical references we don't understand. Yet the book of Isaiah is one of the most often quoted books in the New Testament which leads us to think it should have some importance to us today. Isaiah contains some of the most beautiful devotional writing in the Bible, plus an exalted view of the Lord, plus prophecy concerning the Messiah. This book will challenge our view of God and His word.

I've always wondered why Isaiah is called the "Fifth Gospel." Even though I grew up in the church, I can't remember ever studying the book of Isaiah. That's going to change this fall. Join us as we attempt to understand this magnificent book of the Old Testament. We are using the Bible study "Isaiah: The Lord Saves" by Kathleen Nielson.

### *1 Peter: A Living Hope in Christ* by Jen Wilkin

Thursday Evenings, 7:00 p.m. – 9:00 p.m.  
*No Childcare*

Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ. Key themes of humility, submission, and identity in Christ guide the study of 1 Peter as participants are challenged to read the book in its entirety each week.
