MISSIONARY SPOTLIGHT

Kate Maher Brenner
Wycliffe Bible Translators | Ohio:

Kate has been promoted to Director of Customer Relations for IT within the Wycliffe organization. She is using her technology skills to aid Bible Translators all around the world.

This past year she played a role in migrating 412 users in remote and often dangerous areas to a more secure backup system, rolled out 2-step verification security protocols to over 4000 missionaries, organized and worked the IT back up for the first totally online Bible Translation Conference, and created a new app to insure missionary property. Her work provides peace of mind for the Wycliffe missionaries and lowers overhead costs. Her work contributed to the success in publishing one full Bible in Chadian Arabic and eight New Testaments, reaching over 3 million people.

She and Tom are searching for a church closer to home so they can have a better outreach to their community. Please pray for her to gain more supporters to make up for rising health insurance premiums and for her to be healed from her social anxiety problem.

The mission of Faith Church is to make more and better disciples here and around the world.
