We are so glad you are here with us today. At Faith Church, we are passionate about living in communion with God, in community with others, and on mission with Christ.

If you're a guest this morning, we invite you to fill out the communication card in your bulletin. If you have any questions, please email us at [info@faithchurch.net](mailto:info@faithchurch.net).

## MISSIONARY SPOTLIGHT

### Scot & Cherie Stober | Wycliffe Bible Translators | Papua New Guinea:

Scot continues his work on the Mato language projects from his computer here in the Cincinnati area. He is currently translating the book of Exodus and doing tedious typesetting work in order to ready the translation for printing.

Cherie is still continuing her remote job as Executive Administrative Assistant to the Wycliffe Vice President for Global Workforce Strategies. She has also been highly involved with assisting her parents through her father's recent surgery. They will be working on getting their expired visas in order so they will be ready to return to PNG when the time is right.

Praise that their daughter Rachel graduated from Cedarville University this past May and that their son, Caleb, will be leaving for Japan soon to serve with the missions agency Serge. Pray that the final checks for printing will go well, for a full-time job for Rachel, for Caleb's journey into missionary life in Japan, and for Scot and Cherie as they will miss him greatly.

## FAITH CHURCH LIBRARY

### Faith Church Library - New Books!

We have lots of new books we've added to the library's shelves! Come stop by to pursue our selection and say hello to our librarian, Linda Hamlet. We have lots of resources for theology, marriage, apologetics, kids and teen books. We are in the Children's Ministry Lobby and look forward to seeing you!

### Crafting With A Cause - Begging For Buttons!

Crafting with a Cause is begging for 1" diameter buttons for walker bags we make. Each bag requires two matching buttons and go to any church member or their family members with a need. They also go to nursing homes and assisted living facilities. If anyone has those old buttons they inherited from mom or grandma and wondered if anyone would ever want them, the answer is a resounding "Yes"! You can drop off your buttons in the lobby cart closet.
